GUIDELINES FOR GERMAN TRAVELLING FELLOWSHIP

Applicants must be members of the SAOA and preferably recently qualified orthopaedic surgeons or junior consultants. Two South African Fellows will travel together to Germany every alternate year.

Proficiency or rudimentary German is not necessary.

The SAOA provides 2 economy class return tickets to Germany; all other expenses are borne by the German Orthopaedic Association.

You should have at least one orthopaedic presentation and preferably a second presentation on your medical training and health care in South Africa.

The duration of the tour is approximately 4 weeks and you will visit 10 orthopaedic centers in Germany, spending 3 days at each center. You will be exposed to clinical rounds, theatre and outpatient clinics during your stay. In addition you will be very well entertained with a wonderful social program.

Application forms are obtainable from the Secretariat or from the SAOA website
