Importing the Default Template

Ensure that you are logged into your Amplitude system and have the appropriate permissions to access.

Follow the next steps to import the default template.

Click on the settings button

The screenshot shows the Amplitude system dashboard. At the top, there is a blue header bar with the text "Gold" on the left and "CONSULTANT, DEMO" on the right. Below the header, the main area is titled "My Dashboard". On the left side, there are three green buttons: "WORKLIST" (with a subtext "3 ITEMS FOR 05 SEP 2019 - 05 SEP 2019"), "TASKS" (with a subtext "NO OUTSTANDING ITEMS"), and "ADD PATIENT". On the right side, there is a "WORKLIST" section with a date range "05 SEP 2019 - 05 SEP 2019". Below this, there is a table titled "ADMISSIONS LIST (3)". The table has columns for "Patient", "Pathway", "C", and "P". The table contains three rows of data. A yellow arrow points to the settings icon (a gear) in the top right corner of the dashboard.

Patient	Pathway	C	P
DEMO1, Demo	T + O Baseline Generic Pathway (Right)	1	0
DEMO2, Demo	T + O Baseline Generic Pathway (Left)	1	0
DEMO3, Demo	T + O Baseline Generic Pathway (Unknown)	1	0

Select the pathway for the specific default form template

The screenshot shows the "User Settings" page in the Amplitude system. At the top, there is a blue header bar with the text "Gold" on the left and "CONSULTANT, DEMO" on the right. Below the header, the main area is titled "User Settings". On the left side, there are four green buttons: "PATHWAY TYPES" (with a subtext "9 ITEMS SELECTED"), "CUSTOM LISTS", "DELEGATES", "PROFILE", "SECURITY", "SYSTEM SETTINGS", "NATIONAL IDS", and "SYNC". On the right side, there is a "PATHWAY TYPES" section. It has a search bar "Search by Name or Tag" and a toggle switch "Show My Selected Pathways Only" which is currently "ON". Below this, it says "Showing 9 of 283 pathways". There are three sections of pathways: "Generic to All Specialties Pathways", "Generic T + O Pathways", and "Shoulder Pro Series Pathways". Each section has a list of pathways with a "SET DEFAULT" button. A yellow arrow points to the "Shoulder Pathway" in the "Shoulder Pro Series Pathways" section.

Pathway	SET DEFAULT
Generic Pathway	SET DEFAULT
T + O Baseline Generic Pathway	DEFAULT
Shoulder Pathway	SET DEFAULT
Elbow Pathway	SET DEFAULT

This will open File Explorer. You can find the exported file in your downloads folder. Select the file and click Open.

If imported successfully the default will appear. If the pathway and/or form do not match you will receive an error message.
