

Official journal of The South African
Orthopaedic Association (SAOA)

ORTHOPAEDICS

Why should you consider the SA Orthopaedic Journal:

- Well respected Editorial Board including an International Associate Editorial Board
- Immediate publication of highly academic, peer-reviewed articles
- Circulation of approximately 2 000 to our Specialists locally, rest of Africa and overseas
- Accessible on the SciELO website (Scientific Electronic Library Online)
- Journals are considered for inclusion in SciELO SA when they have received a favourable evaluation from ASSAf's journal quality peer-review panel
- Favourable rates to suit your needs and budgets
- A quarterly publication that is inserted into the congress bags at Orthopaedic Congresses (only journal allowed at the SAOA Annual Congress)
